## OVERSEAS

STEEL IS US...

## ABOUT VINAR OVERSEAS PVT. LTD.

With 25 years of remarkable presence, Vinar has emerged as a trusted name in the Global Steel Arena and considered to be a valued partner for steel used in high end applications like oil and gas, automotive and engineering. This proud legacy has been created with trust, transparency and sheer professionalism. We are – “Steel is Us” and “Steel Anytime Anywhere” to our clients and supporting mills worldwide.

# V

### VISION

To retain our leadership position as a valued solution provider for the global steel industry and be a preferred partner globally and locally.

# M

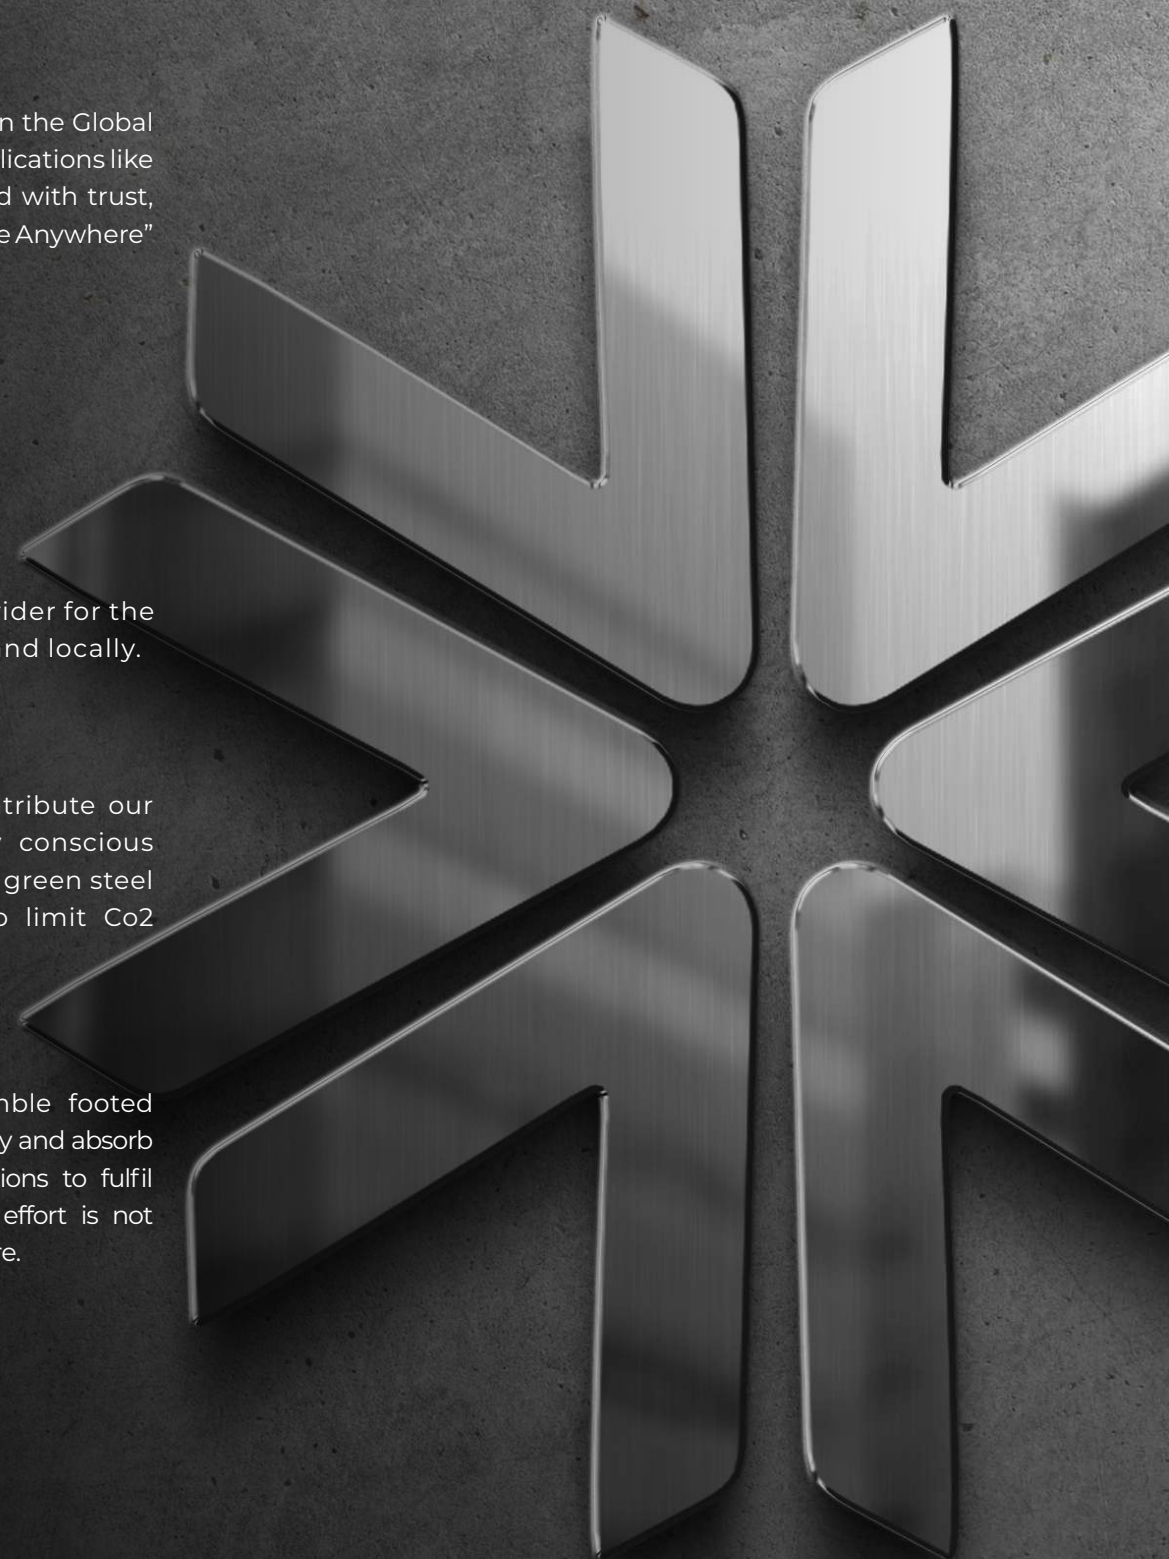

### MISSION

As mother earth faces global warming, we aspire to contribute our utmost for creating a better environment and socially conscious communities through our global steel business by offering green steel solutions and helping our supporting manufacturers to limit Co2 emissions for a better and greener future for our planet.

# W

### WHY US

We are a cohesive team of professionals forming a nimble footed organization to quickly adapt to the changing steel scenario globally and absorb geopolitical shifts to continue to offer cost effective steel solutions to fulfil the needs of our stakeholders in a time bound manner. Our effort is not only towards preserving 25 years of legacy but to enrich it even more.
